The Dimmer View

BY MAX GOODWIN

This is the week the Broadway Improvement project gets off the ground.

Unfortunately, the improvement will not follow the prime plan many of us had hoped for, yet an improvement is an improvement, if you can be philosophical about such things.

Three years ago, Lemon Grove rancher-investor Harry Griffen laid down a plan which called for a 150 foot wide street the full length of Broadway together with sidewalks, traffic parking curbs, ornamental lighting, proper drainage and rear-lot utility poles. Most property owners along Broadway said the plan was fine but few were willing to pick up the tab for the installation. The movement collapsed.

This year, County Road Commissioner, Joe Mack, has asked for and gotten 50 percent of money needed for improving Broadway. His plan calls for a road 100 feet wide with 18 foot wide left-turn lanes down the center.

The Lemon Grove Boosters, (merchants division of the chamber of commerce) opposed this plan because of the center islands. Commisioner Mack countered with an alternate plan.

This plan provides an improvement 150 feet wide without left-turn islands provided the owners pay for all of the improvement on the extra 25 feet, then dedicate this 25 feet to the county for public use. Estimated cost to each property owner is a little less than $40 a front foot.

This plan would provide an improvement 150 feet wide, without the center islands if the property owner would give to the county for public use the extra 25 feet on each side of the road and this would take the development right up to the setback line. The estimated cost to the property owner was less than $40 a front foot.

The Lemon Grove Junior Chamber of Commerce, and members of the Boosters Club seperately tried to get property owners in agreement . Both failed.

The plan which is being nailed down this week calls for the 150-foot wide improvement between Kempf and Olive streets. This will have no center island.

From Kempf east to Campo, and Olive west to College, the road will be 100 feet wide and a center island will be down the middle. This will cost the property owners nothing.

In the center of Lemon Grove, where Broadway will be 150 feet wide, the property owners will pay for the additional 50 feet of improvement.

Commissioner Mack says the improvement will be started next year as soon as the balance of the money is budgeted.

Firm To Be Tapped For Delaying

SAN DIEGO (CNS)—Authority to crack down on a contractor on a Spring Valley job was granted to the department of public works on Tuesday by County Supervisors.

Board members agreed with Public Works Director Jean L. Vincenz that Dorfman Construction Co. should not be granted an extension of time for the completion of a sewer system on Kenora drive, Spring Valley, without having to pay some penalties.

Vincenz said the added costs to the sanitation district because of the 180-day extension already given between the period March 26 to October 2 amounted to $11,933. These costs are for inspectors and mileage. This does not take into consideration loss by homeowners who could not occupy new homes nor those who could not hook-up because of the delay.

It had been previously believed that no penalty could be charged on overtime 1911 act projects such as this one. Vincenz said the Los Angeles board of supervisors has been successfully collecting extra costs involved in extra time jobs from late-finishing contractors. Vincenz said county counsel opined that it could also be done here.

The contractor asked for a 30-day extension from September 23, and Vincenz said this would require additional county costs for inspection. In view of previous delays on the same project, he asked supervisors to insist that the contractor pay for the added inspection expenses.

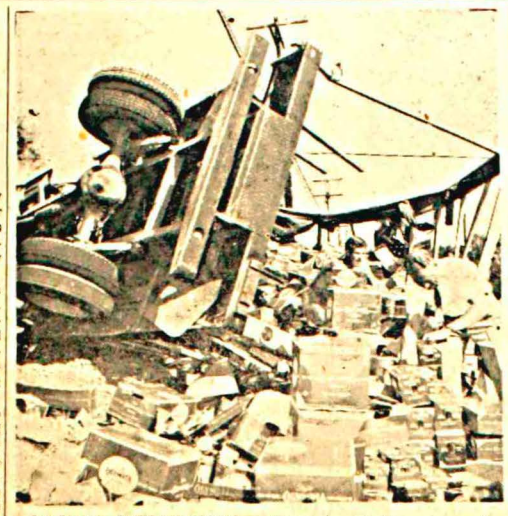
Supervisors referred the question to the county counsel's office, with no extension to be granted unless the contractor foots the bill for all added expenses.

NEW JOB TWO MONTHS LATE

The sewer line connecting the east side of Lemon Grove with the Spring Valley sewer system is already two months behind schedule, Vincenz revealed today.

The project, also under contract to Dorfman, runs northwest from Brookside to Grove and Imperial. It will run through the property occupied by St. John of the Cross church.

Vincenz said he told the contractor that he would recommend against ever awarding another job in San Diego to Dorfman if this project is not completed on time. St. John of the Cross parish is building a new church and a new school facility in anticipation of the project being completed.



ORIGINAL BLOODY MARY — Passersby at the corner of Sweetwater road and Palm avenue October 2 could have misconstrued the situation and thought preparations for mixing that popular drink were being made when they viewed this scene. Both ingredients for the drink were available at the accident scene when a beer truck overturned in a tomato patch, spilling cans and bottles of beer over a wide area. Fred Aguilar, 2205 Van Ness street, National City, driver of the truck, received only a cut on one of his arms and a woman driver involved in the accident, Mrs. James C. Minchinton of 9028 Valencia drive, Spring Valley, escaped with no injuries. According to eyewitness reports, Aguilar was driving south on Sweetwater road when Mrs. Minchinton, in the auto ahead of him, stopped to permit another motorist ahead of her make a left turn. To avoid hitting either car Aguilar swerved off the road, overturning the truck.

Parolee Slays S. V. Benefactor

A 22-year-old narcotics offender, on parole only since August, beat to death his benefactor, a Spring Valley woman, Monday night.

The woman, Mrs. Florence Wyman, 61, 9775 Lamar street, was bludgeoned to death with fireplace tools by Alex Herrera. Herrera was paroled to her as a workman from the state Penal Service. Neighbors said Herrera had previously worked for Mrs. Wyman about two years ago for a short time.

San Diego police picked up Herrera when he created a nuisance at a convent in Logan Heights where he apparently attempted to reveal his acts to a priest at 2 a.m. Tuesday. Herrera was arrested for causing a disturbance. The convent is at 2245 G street.

Police said when they arrested Herrera he was distraut but uncommunicative. He finally told them to go to the Spring Valley house.

Police remanded him to the psychopathic ward at county hospital.

Sheriff's Lt. Tom Isbell said Herrera had beaten the woman to death with a heavy fireplace poker and ransacked the house.

Herrera gave no motive but admitted taking $11 from a glass jar.

Also working on the case was Sheriff's Sgt. R. B. Majors, and detective Robert Norton.

San Altos School To Open Doors To 350 Students Monday Morning

The newest school in Lemon Grove, San Altos, officially opens it does to 350 pupils Monday morning, October 13. The move from San Miguel school where the majority of San Altos' students were housed temporarily during the first few weeks of school, will take place over this weekend when school personnel will move books and other materials to the new site.

San Altos will begin with two kindergartens and 12 regular classrooms through the sixth grade. Kindergarten pupils now are attending at Monterey Heights and Golden Avenue. Douglas Giles, formerly of Chula Vista, is the principal.

Construction on the new school started March 3, of this year and was built at a cost of $352,000 by J. C. Curry Construction Co., of San Diego. Federal funds contributed $163,715 toward construction costs and the remainder was paid for by local school bonds made available by voters in last year's election, Paul Reynolds, business manager for the Lemon Grove school district said.

San Altos is the seventh school in the district and will employ 15 teachers. Another wing, containing four classrooms, will be built in the future, Reynolds said.

The school will be formally accepted Monday night of next week by the school board.

An almost immediate influx of new students is anticipated by the Lemon Grove school district. Over 100 new homes are ready for occupancy in completed units of San Altos Terrace. This means that the small classload reflected in present enrolment figures will swell as new residents move in.

Tail Pipe Sets Off Truck Trash

The Lemon Grove Fire Department last week on Tuesday extinguished a truck fire at Sweetvater and Broadway after the driver of a pick-up truck saw smoke trailing the vehicle.

Firemen said rubbish being hauled in the truck came in contact with the exhaust pipe through a crack in the truck bed.

Friday a grass fire at 2305 El Prado was put out with no damage resulting.

Saturday, the department made a resuscitator run to the home of Mrs. Mary Plain, 2765 Citronella. Mrs. Plain was revived and was reported out of danger by the attending physician. Captain Harry Alexander was in charge of the run.

Grove Kiwanians Off To Confab

The Kiwanis Club of Lemon Grove will be represented at the 1958 convention of the California-Nevada-Hawaii District of Kiwanis International at Sacramento, October 12-15, club president Thad Butts, announced today. Host club for the convention will be the Greater Broadway Kiwanis Club of Sacramento.

Local delegates to the convention will be Freeborn Cressy, vice president, and Ray Graham, scribe.

Ben H. Hazen, trustee of Kiwanis International, a Portland, Oregon banker, will be a featured speaker at the three-day meeting in Sacramento. Also at the meeting will be H. Park Arnold, immediate past president of Kiwanis International of Glendale.

VALUE DAYS NEXT WEEK

Local shoppers will get a break next week when Lemon Grove merchants stage their quarterly Value Days on Thursday, Friday and Saturday. A special section devoted to tremendous bargains will be included in next week's REVIEW.

Workman Falls Dead Here Mon.

A San Diego man died at work in Lemon Grove Monday. James M. Marquis, 53, who was helping demolish the old Orange Blossom cafe at Central and Imperial, died while eating lunch. Marquis lived with a son at 3077 Hawthorne street, San Diego.

The Lemon Grove fire department, under Assistant Chief Fred Dixon, responded to the emergency call but the man had apparently fallen dead without an indication of illness.

County Coroner Jesse Canale said the man had apparently suffered a heart attack.

Marquis' son, James, who is employed at State college, said his father had not been ill.

'OVERRIDE' TAX PASSES 1,644 - 632

Lemon Grove voters Tuesday approved an increase in school operating tax by a three to one margin.

The vote was 1,644 for the measure and 632 against it. The success of the election means property owners agreed to accept 25 cents more tax per $100 assessed valuation for the operation of schools for five years. Former rate was $1.40. New rate will be $1.65. Should the measure have failed the rate would have dropped to 90 cents which is the legal maximum without taxpayers' approval. Override of the 90 cent limit must be approved by a simple majority of voters.

The new rate goes into effect July 1, 1959, at which time the $1.40 rate expires.

Four schools served as polling places and as precinct centers. By precincts the vote was:

Vista La Mesa, 309 for, 107 against; San Miguel, 457 for, 182 against; Monterey Heights, 408 for, 144 against, and junior high school, 470 for, 199 against.

Mrs. Edna Ryan Passes At 51

Mrs. Edna Ryan, 51, of 428 Encinitas avenue, Lomita Village, died Friday after a short illness.

She is survived by her husband, Edwin S. Ryan, and four children: Beverly Mosier, Eleanor Clifford, Colleen Ryan and John Ryan, all of whom live in the surrounding area. She is survived by a brother and sister who live elsewhere.

Services were held Monday at Conrad's Mortuary followed by interment at Mt. Hope cemetery.

BOOSTERS READY BROADWAY PETITIONS

The Lemon Grove Boosters club Tuesday announced petitions for widening Broadway to 150 feet between Kempf and Olive streets, would be circulated before the end of the month.

The project will forestall a plan by the county to improve the road in which they will install 150-foot-wide left-turn islands.

Property owners in the Kempf-Olive area will pay for part of the improvement in an improvement district project. The rest of Broadway, from Campo to College, will be widened to 100 feet starting late next year. Center islands are to be a part of the latter plan.

The Boosters also voted to circulate a petition for a street lighting district at the same time as the street widening petitions are circulated. The petition will call for double-arc standards set in the parking control curbs.

The proponents expressed hope that the Kempf-Olive-Broadway improvement would be started before the county-paid program gets under way.

Earl Nelson presided at the meeting.

Board Of Supervisors Calls Off Hearings

SAN DIEGO (CNS)—A hearing last week before supervisors on construction of a sewer system on El Prado avenue, to join up with the Lemon Grove Sanitation system, was called off. Counsel for the district, Robert Berrey, declared that the notice of the hearing had been faulty and that a new hearing would have to be called.

Letter Writing Week Marked

This is National Letter Writing Week.

A personal letter is the next best thing to an actual visit, says Lemon Grove postmaster Frenchy Faucher.

He joins with postal employes across the nation in urging all persons to write friendly messages, both nationally and internationally.

Don't forget, we might also remind, to put a stamp of the proper denomination on the upper right hand corner of the envelope.

Sen. Knowland To Make Appearance In L.G.

A Circus-Rodeo for Knowland is scheduled for October 18 at the St. John of the Cross church Rodeo grounds, Sweetwater and Broadway, it was announced by the East San Diego County Committee for Senator William F. Knowland for Governor.

The affair will be held from 1 to 3 p.m. and admission will be free.

Free favors will be given to all children accompanied by adults.

Local co-chairmen of the committee are Mrs. C. E. Mosier and Dr. E. E. Smith. They said the event would have a highly informal atmosphere and good, old-fashioned candidates handshaking would be the order of the day.

The possibility of a Hollywood celebrity sharing the spotlight with Senator Knowland was announced by William K. (Bill) Shearer, himself a candidate for office. He said Cecil B. DeMille, a close friend of his, would secure a Hollywood personality to make an appearance at the Circus-Rodeo.

Mrs. Mosier said that other Republican nominees would take part in the event.

Mrs. D. F. Ellis Winner Of Jackpot Drawing

WINNER — Earl Nelson, president of the Boosters Club, soonsors of the Jackpot drawings, presents Mrs. D. F. Ellis with $100 in script after her ticket was drawn at last Thursdays' drawing.

Winner of $100 in script in the Booster Club's Jackpot drawing Thursday of last week was Mrs. D. F. Ellis, 6641 MacArthur drive. Hers was a 10 percent ticket in the $1,000 drawing.

Mrs. Ellis was the first winner since August 14 when the Thursday event was started.

She was almost late in arriving at the Plaza where the drawing drawing is held every Thursday at 3 p.m. She arrived on the scene to hear her name being called.

When given her prize she said the first thing she would do was to buy a new dress. "After that," she said, "I don't know what I will buy but the script will be well spent." She turned in five or six tickets last week, she said.

Mrs. Ellis has two children and does practically all her shopping in Lemon Grove, she said.

Another $100 will be added to the jackpot this week bringing the total once again to $1,000. An additional $100 is added each week to the drawing.

Beginning October 17 the drawing will be held on Friday nights at 7 o'clock to accomodate persons who work during daytime hours or who can't otherwise attend. There is no charge for the tickets. They are distributed by Lemon Grove merchants.

TWO WOMEN IN RACE

Twenty-Five File For L.G. City Council Race

The names of 25 Lemon Grove residents will appear on the ballot when voters decide, on November 25, whether they want a city, and who will run it if they vote to form it.

These names, alphabetically, listed include: Earl R. Andrix, Ralph Armstrong, Alfred H. Bauer, Dr. Robert S. Burns, Joseph Cannizzaro, Florence E. Custeau, Dr. Gilbert Chassy, Frank C. Doolin, V. J. Dorman, Ira L. Durham, Harry C. Griffin, Charlie Krause, Jesse E. Lee, Elton H. Loveland, Rodger S. Martin, James J. McEntee, Helen McFarland Tuve, Dr. Dennis L. J. McLaughlin, Joseph H. Payson, Norman K. Polakowski, Lawrence W. Sozzani, James P. Spears, Harry H. Valasek, W. R. Vandenberg and Robert Vaught.

The name of Robert Snow was dropped from the list because the circulator of his petition resided outside the proposed city limits.

The petition of William E. Rife was not accepted when it arrived after the Wednesday October 2 noon deadline. It was mailed.

Jointly, captain H. E. LeBarron and Mrs. Louella Fellows, co-chairman of the Lemon Grove Civic Committee of 1,000 For Incorporation, welcomed all 25 of the candidates.

"On behalf of the leaders of Lemon Grove we congratulate the 25 fine citizens who have filed their names as candidates for the soon-to-be city of Lemon Grove. Each of these friends and neighbors have unselfishly offered their service to their community. All of them know that there is no salary or other compensation of a monetary nature yet the pleasure of selfless service in behalf of his town is the greatest joy any man may receive," Mrs. Fellows and Captain LeBarron said.

"The Civic Committee for incorporation heartily endorses all 25 candidates and wishes each one the very best of success. Our committe goal is the preservation of Lemon Grove traditions and history. With such leaders as these who have offered themselves to the voters we are assur-

Piano Lessons Important To This 12-Year-Old Boy

By Hub Sandelin

Unlike his nickname and most other boys, Skipper Newman doesn't like to "skip" piano lessons.

Skipper, you see, knows piano lessons will probably help make him well again. His doctor told him so, and who disputes a doctor's word?

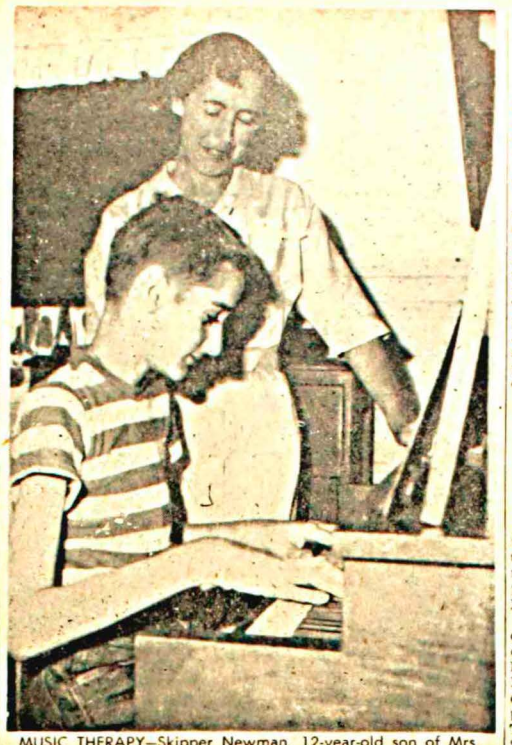
Skipper, 12-year-old son of Mrs. Betty Newman, 7371 North avenue, Lemon Grove, has rheumatoid arthritis and three years ago part of his left leg was amputated to help stop the spread of cancer. Coordination in his hands, due to the arthritic condition, isn't up to par. But piano lessons should rectify that.

His home tutor, Mrs. Thomas O'Connell of the Lemon Grove Elementary School District, promised him she would teach him to play the piano if he completes his school lessons on time. Mrs. O'Connell teaches him on her own time because the school district doesn't include piano lessons in its curriculum.

Skipper's piano was given to him last week by J. W. Campbell of the Campbell Brothers Masonry Company of La Mesa. Members of the Lemon Grove Optimist Club donated their time and muscles to move it to Skipper's home. It's an old fashioned player piano which can be played by pumping bellows with the feet but because Skipper has only one foot now, a way will have to be figured out for him to substitute some kind of "pumper" so he can enjoy piano music until he learns how to play well.

It would help shorten his daytime hours too, (he doesn't have sisters and brothers or a daddy) because he is alone most of the time during the day while his mother works at the Pacific Telephone and Telegraph Company downtown. Mrs. O'Connell is able to be with him only a short time on Tuesdays and Thursdays.

He is hoping he will complete his school lessons on time and a way is found to devise a "pumper" because what good is a piano if you can't play it?



MUSIC THERAPY—Skipper Newman, 12-year-old son of Mrs. Betty Newman, 7371 North avenue, Lemon Grove, practices his piano lessons with the aid of tutor Mrs. Thomas O'Connell of the Lemon Grove elementary school district.

Oppose Prop. 17 Pleads Speaker

William K. (Bill) Shearer, Republican candidate for Assembly (77th District) will be speaker Friday at the Men's Club, according to Bill Parker, club president. Parker said Sheridan Hegland, incumbent, would be speaker at the club at a later date.

The club heard Donald White of the executive personnel department of Convair, discuss Proposition 17 (Reduction of sales tax) Friday. He said the state would suffer economic collapse if the issue passed. He said the proposition was engineered onto the ballot as a political tactic to divert attention and effort from Proposition 18 (right to work).

No one, said White, is supporting 17. He said that practically every organization requested to do so is opposing 17. He said the California Taxpayers Association, for the first time in their history, are opposing the tax reduction.

The club meets every Friday noon at Michael's.

Police Expenses Can Be Deducted

Police officers still are entitled to deduct ordinary and necessary business expenses on their federal income tax returns, Robert A Riddell, district director of Internal Revenue, emphasized today.

This is true, he said, even though a recent law repealed the $5-a-day tax exemption on statutory subsistence allowances received by some police officers.

Riddell said police officers may deduct, directly from gross income on page 1 of form 1040, expenses for travel, meals, and lodging while away from home overnight and local transportation expenses incurred on the job. He said they also may deduct other necessary job-connected expenses on page 2 of form 1040, if the standard 10 per cent deduction is not claimed.

Riddell said the new law requires income tax to be withheld on all salary payments received by officers after September 30, even though a portion of the payments may be designated as a subsistence allowance.

University Women Will Tour Park

The Art Study Section of the La Mesa branch, American Association of University Women, will travel by chartered bus to Glendale Saturday of this week where members will tour Forest Lawn Memorial Park. Section chairman, Miss Ann Louise Butts, may be contacted by members wishing to join the group on the tour.

The legislative committee will meet at the home of chairman, Mrs. G. Keith Dolan, 3647 Birdie drive, La Mesa, at 7:30 p.m. on October 14. Resolutions made at the state legislative committee meeting in Napa will be discussed with special emphasis on the California state propositions for the November 4th ballot.

Tots Will Show Works At Exhibit

The La Mesa Children's Art class will be featured at a children's show at the San Diego Art Institute in the House of Charm in Balboa Park during this month. Hattie Tennent-Holcomb is the class instructor.

A reception for them will be given at the Institute on October 12. The public is invited. Refreshments will be served from 2 to 4 p.m.

New Corporations Off In First Eight Months

SACRAMENTO (Spcl.) — During the first eight months of this year 11,192 corporations qualified to operate in California, it was announced last week by secretary of State Frank M. Jordon.

Jordan said the total for the first eight months was 708 under the 11,900 qualifying in 1957 and 1,230 below the 12,422 for the same period of 1956.

The average monthly filings this year amounted to 1,399 with August showing 1,136 corporations of all types qualifying which was 36 below the same month last year and 40 below 1956.

Brown Luncheon Set For Nadadero

Atty. Gen. Edmund G. "Pat" Brown, Democratic nominee for governor, will visit the Heartland area October 18, it is announced by Dr. Basil Maloney, the gubernatorial candidate's campaign chairman in Lemon Grove.

Local residents are invited to attend a luncheon honoring the candidate at 1 p.m. at El Nadadero in El Cajon which will wind up Brown's tour in the east county area, his only visit here before the election, Dr. Maloney said. Tickets for the luncheon may be purchased for $1 from Mrs. H. J. Warner, 7815 Mt. Vernon street, or from Brown's campaign headquarters in La Mesa or El Cajon, Dr. Maloney said.

Republicans Drag Feet On Labor Cleanups, Charges Claire Engle

Republicans are dragging their feet on labor cleanup prosecutions, the better to capitalize on the corruption issue in a campaign year, Congressman Clair Engle charged today.

Engle told the state conference of the International Association of Machinists meeting in Long Beach the whole history of the Kennedy-Ives labor reform bill exposes the GOP inclination to play politics with the labor issue. That bill passed the Senate by 88-1, yet was defeated in the House by 198-190 when Republicans ganged up on it, Engle said.

Perhaps the greatest single reason for the defeat of the bill, said Engle, was the fact that the GOP "did not want the Democratic congress to get the credit for passing a labor reform measure."

"The Republican party preferred to have no legislation and to make labor reform and corruption in unions an issue against Democratic candidates in the Congressional races this fall."

As for himself, Engle said he is recorded as voting for the bill and wrote every member of the House to solicit support for the bill.

Democrats Charged With 'Ducking' Campaign Issues

The California Democratic Council has ducked a proposal by its Republican counterpart, the California Republican Assembly, that an open discussion of campaign issues be arranged between Bill Knowland and Edmund Brown, candidates for governor.

This was reported today by John J. Phillips, of Moorpark, CRA president, who said he asked Joe Wyatt, Los Angeles, CDC president, September 16 to cooperate in setting up a meeting of the candidates. Wyatt has not replied to the suggestion, Phillips said.

Phillips said he submitted the idea to Wyatt by wire and letter, stating, "To freely discuss the issues would serve the interests of all Californians.

"The only reason to avoid such a discussion is fear," Pihllips said he wrote in his letter to Wyatt.

God's Minute

"ONE THING"

Jesus said, "One thing is needful." In a society which is exhausting itself in a race for possession of earthly things, the Christian knows that there is One Thing which is really necessary. When our last day comes, we are going to find all our material things slipping from our fingers. We will find that the only thing we can continue to grasp as we cross into the next world is Jesus Christ who is the One Thing needful for entrance into Glory.

All who have not had the Salk series are urged to take advantage of the local project. All persons under 45 years of age should be innoculated, officials say.

Local doctors and nurses are contributing time to bring the vaccine to area residents.

Dollar Day Extended

Democratic Dollar Day has been extended to October 15, G. K. Williams, county chairman said last week. The extension was ordered by Lionel Steinberg, vice chairman of California Democratic State Central Committee and state coordinator of the drive.

teen-age ACNE
(VULGARIS)
Acne can ruin life for the teenager. Young people with acne often develop an inferiority complex. And sympathetic parents become emotionally involved. Teen-age acne usually ends with maturity, but ugly pockmarks can be an embarrassment through life.
Now, doctors report "excellent results"—"dramatic improvement"—in as high as 88% of acne cases with a combination of large amounts of vitamin A, vitamin C, and citrus bioflavonoids from oranges.
CLYR Tablets, a dietary food supplement, contain vitamins A and C—with citrus bioflavonoids—the same nutrients recommended by those doctors who have used them so successfully in correcting juvenile acne. Teen-agers (and their parents) can be thankful for this new discovery.
Start working on that unattractive complexion today. Ask for CLYR Tablets. One month's supply—$7.50.

134-Bed Hospital Addition Authorized By Trustees

Bids for construction of a 134-bed addition to Grossmont hospital were authorized last week by the hospital's board of trustees, Louis Peelyon, hospital administrator, said last week.

Construction of the addition is expected to begin early in December, Peelyon said, with bids expected to be advertised for about October 15. Drawings and specifications will be sent to prospective bidders October 21. The district tentatively expects to formally receive bids in mid-November.

Cost of the addition, approximately $900,000, will be financed with federal, state and local funds with each agency contributing one third.

The board of trustees also appointed Miss Katherine Cline of 7407 Alvarado Canyon road, director of personnel and public relations at the hospital, according to Peelyon. Miss Cline has been employed in that capacity by the hospital since June 1. She has been conducting research and surveys on the hospital's growth, needs and policies.

Previous to June 1 she was assiciated with the research department at Scripps Clinic in La Jolla. She was graduated with a journalism degree from the University of Illinois and obtained a master of arts in science and journalism at Northwestern University.

Mrs. E. F. Brady, this year's PTA president, said that the motto for PTA groups in this area will be "Enlarged Circles of Cooperation."

"Parents who join the PTA will be brought closer to school activities and ideals. They will work with the faculty and the student body," Mrs. Brady said.

Smith Disagrees With Married Students Ruling

"Mingling of married pupils creates unfavorable situations," declared Lewis Smith, superintendent of the Grossmont High School District, last week. Smith disagreed with the schools' county counsel that unmarried students would benefit from associating with married pupils.

"Careful supervision and handling by teachers and counselors, however, will permit us to avoid most of the problems and enable the students to make the necessary adjustments," Smith pointed out.

Carrol Smith, a deputy county counsel, ruled last week that married and unmarried students have equal rights in participating in extra curricular activities at county schools. District trustees also sided with the married students recently when they adopted an interim policy permitting married students to participate in all activities pending receipt of the opinion. Some county schools have transferred newly married students to adult schools.

The deputy counsel said mingling of married students and unmarried students would benefit the unmarried students.

Lake's Recreation Future Assured By Supervisors

SAN DIEGO (CNS) — County supervisors last week signed a one-year option to guarantee the county a long-term lease on Helix Lake.

The agreement is being made with Helix Irrigation District for development of the area as a recreation spot. Issuance of a warrant for $1 for payment was also authorized. Deputy County Counsel Bertram McLees, Jr. explained to supervisors the option was needed to work out terms of a proposed 50-year agreement. A number of other details must be worked out during the one-year option, he said.

McLees said an agreement with the irrigation district for the amount of water to be kept in the lake will have to be decided on the basis of protection for neighboring property.

Development of the lake for recreation purposes will be under the direction of the county's Department of Parks and Recreation, working with city officials of La Mesa and El Cajon. General plans have already been agreed upon for long range development of the area.

The lake was sought for a time as an experiment area for Scripps Institution of Oceanography. Irrigation district officials and the county reached an agreement on the lake's future last month.

'Faraway Places' Theme For PTA

The Golden Avenue PTA regular meeting will be held Thursday of this week, 7:30 p.m., at the school cafetorium. Theme for the evening is "Faraway Places," with Mrs. Lois Perry showing slides of her "Travels Through the Orient."

The PTA is planning for their Hallowe'en carnival on October 31. Golden Avenue school children are making posters which will be displayed in Lemon Grove stores.

The school's PTA membership drive is underway. All parents of children attending the school are urged to join the PTA and help their children's room "Hit A Homerun"—theme for the drive. A prize is to be awarded to the classroom which secures the most memberships.

Mrs. Jack Long, president, will preside at the Thursday meeting with mothers of fifth grade students acting as hostesses.

Utt Endorses Bill Shearer

William K. (Bill) Shearer, Republican nominee for state assemblyman in the 77th District, this week received a personal endorsement from Congressman James B. Utt (R-28th District).

"This is to assure you that I am supporting the full Republican ticket in the November election. Especially is it important to elect a Republican Assemblyman from the 77th District.

"Bill Shearer has always stood for the American free enterprise system, for human freedoms and individual liberties under the guarantees of the American Constitution and would be a credit to the California Legislature.

"I wish Bill every success in his campaign and assure you that I will be of whatever assistance I can."

Shearer is a former member of Utt's Washington staff, having served there in 1953 and 1955-56, before and after his military service.

RINGLING BROS. TO SHOW THIS MONTH

The Greatest Show on Earth, better known as the Ringling Bros. and Barnum & Bailey Circus, will come to San Diego's Westgate Park for four big days and nights, October 16-19.

The new baseball park, which is the home of the San Diego Padres, will seat over 8,300.

To enhance the international quality of the big show, its president, John Ringling North, spent months on a talent quest in European capitals, key cities and touring circus stands, and engaged the largest number of star acts and circus novelties that he has assembled in 18 years.

Also four new super-spectacles, the most dazzling in a decade, have been added. They include '1,000 Nights," an Arabian Nights' Dream; "Up I Go," a stunning aerial ballet; "Bless My Britches," a glorified western; and "Yankee Doodle Do," a rousing, kaleidoscopic grand finale by the mighty ensemble of the circus personnel.

There will be eight performances in all. Box seats will be $3.00 and reserved grandstand will sell for $2.00, both including tax. Children will be admitted at half price for all performances.

"Every Child Deserves a Home" is the belief of the members of the Improved Order of Red Men, oldest fraternal organization of purely American origin.

To enforce this belief they will gather at the State Ball, the 41st in California, to raise funds to present to the orphans and half-orphans in ther membership. This is only presented to children not placed in institutions but kept in homes of relatives or friends.

The ball will be held at the Scottish Rite auditorium in San Francisco, Saturday, October 25, from 9 p.m. to 1 a.m. Music will be provided by Paul Law and his orchestra and entertainment will be provided by the "Dancing Hiawathas," consisting of members of the Junior Order of Red Men known as the Degree of Hiawatha.

WHY WON'T HEGLAND DEBATE SHEARER?

Since the primary, non-partisan civic and community groups have asked Assemblyman Hegland to debate his opponent, William K. (Bill) Shearer, Hegland has refused

Hegland's record suggests why he may not want to debate his opponent.

WATER
Hegland speaks in district for water development, but served on conference committee which killed all water development appropriations in 1958.

SPENDING
He has made numerous speeches for less spending, but served on conference committee which adopted a budget spending $124,000,000 more than California's income.

TAXES
Campaigned for low taxes in 1956, but supported sales and property tax increases in the 1957 and 1958 legislative sessions.

LABOR
Took labor endorsement and money in his 1956 campaign; voted against labor in the legislature.

LOYALTY
Has made speeches both for and against the loyalty oath.

EDUCATION
Newspapers reported speeches by Hegland opposing Federal aid to education, Feb. 28, 1957; and for it, Jan. 8, 1958.

PROPERTY TAXES
Talks for protection of property owners, but co-authored bill including passage of bond issues by simple majority instead of 2/3 majority. (AB3968, 1957)

Bill Rogalla, Jr., was installed as a junior assistant Scoutmaster and Mason McNinch II was installed as an assistant Scoutmaster. Ed Nichols was welcomed as a new member of the adult HOBO patrol.

Service pins for all eligible Scouts and adult Scouters were also distributed at the court.

Following the formal ceremonies the Scouts, their leaders and their parents, enjoyed a social hour with coffee, punch and cookies.

OES Schedules 'Punkin Party'

A "Punkin Party" luncheon card party bazarr will be held October 14, from 10 a.m. to 5 p.m., at the Masonic Temple, 4731 Date street, La Mesa.

The event is being sponsored by the Areme Club of La Mesa, Chapter No. 300, Order of the Eastern Star.

Many gardeners buying little stocks, snapdragons and other plants from the nursery in flats for transplanting into the open ground, will make the mistake of selecting the more robust plants and ignoring . . . (where there isn't room for them all, even throwing away) the weaker seedlings. Many people do not know that these smaller plants are often doubles. They are capable of bearing large, double blossoms which make your garden bright and beautiful. Nature seems to purposely hold back the early growth of those plants destined to produce the most bloom and color, in order to fortify them for their greater task. So, do not hesitate to select smaller as well as the sturdier plants.

I always follow the practice of disinfecting the soil in which I intend to put these little plants. I use a material combining copper and ether. It can be used to disinfect the soil either before or after the plants are in the ground.

Council PTA Sets Classes

A parent-teacher information course, sponsored by Mt. Helix Council PTA, will begin Thursday, October 16, 9:15 a.m. at the Bancroft school cafeteria in Spring Valley. Mrs. Don Irwin, 9th District parliamentarian, will teach the course.

The course is a basic one of general background of PTA work. It is designed to give a better understanding about PTA organization, objectives, committee work, policies and parliamentary procedure.

All board members and chairmen on local and council level are invited to attend.

A similar course in the La Mesa area will be given soon.

Eastern Star To Honor Official

A reception to honor Mrs. Leo Crickmore, deputy grand matron of the Order of the Eastern Star, will be held Saturday of this week, 8 p.m., at the La Mesa Masonic Temple. Chula Vista, El Cajon,, Southern Star and Southwest chapters will unite with the La Mesa chapter for the event.

Presiding will be Mr. and Mrs. Victor Martyn, worthy matron and worthy patron of the La Mesa chapter.

The address of welcome will be given by Judge Lloyd Ellis Griffin, past grand patron of the state of California. Mrs. Clarence Wagness is general chairman.

The Matrons and Patrons Association of 1955 as well as officers from Imperial, Riverside, Los Angeles and San Diego counties are expected to attend.

La Mesa Dinner Will Precede Grossmont Concert Tuesday

A dinner will be held by the women's committe of the Grossmont Community Concert Association on Tuesday of next week, 6 p.m., at O'Quinn's Dining Room in La Mesa preceding the Harbrecht-Alvary concert in Grossmont auditorium. All members are invited to attend.

Hostesses for the dinner will be Mmes. David Comey, Carlyle Reed, Andrew Monteverde, John Montgomery, and Donald Staples. Receiving at the 8:15 p.m. concert will be Mmes. William von Noe and Monteverde.

Due to limited parking space at the concert, there will be round-trip bus service from the dining room at 7990 La Mesa boulevard. Reservations can be made with Mrs. Marie Decker, HO 6-7959.

Dinner reservations may be made with Mmes. Harry L. Anderson, HI 4-6933; Hubert Paton, HI 4-2384; or Dale Potter, HI 4-3846.

Mrs. James P. Stewart, membership chairman for Grossmont Community Concert Association, announces that newcomers to this area interested in good music may secure season memberships at Grossmont High School auditorium box office on the night of the first concert.

Membership in community concerts entities members to attend any community concert in the United States. For further information, phone Mrs. Stewart at HI 4-5834.

Winter and spring programs for the La Mesa Park and Recreation department were announced last week by Tom C. Lean Jr., superintendent.

Included in the program are new classes such as judo, hula dance and a choir for boys and men.

☆ One out of every 10 children born each year will go to a mental hospital sometime during his life.

Doctors Complete Address Changes

Dr. Stanley Yanchul, chiropractor, and Dr. Robert Swenson, dentist, completed office-moving operations last week.

Dr. Yanchul moved into Dr. Swenson's offices at 7624 Pacific avenue when Dr. Swenson moved into a new building recently built for him at 3293 Olive street. Food Basket Market Marks Double Birthdays

Food Basket Market is marking a double anniversary this week in Lemon Grove, Lee Nemechek, division manager said this week.

One year ago Food Basket opened in Lemon Grove. Nine years ago the first Food Basket market was opened in San Diego.

"It's a combined first and ninth anniversary for the Lemon Grove market," Nemechek said.

Nemecheck said the first Food Basket was opened at College and El Cajon boulevard in 1949 and represented San Diego's first supermarket. There are now eight Food Baskets in operation plus one under construction at Allied Gardens.

In 1956 the organization was merged with Lucky Stores, Inc. a statewide organization of 140 outlets. 1958 expected sales are in excess of $150,000,000.

The local division employs 500 persons and takes part in community activities in the area each serves. In Lemon Grove, Food Basket sponsors Pony League baseball teams and aids Little League teams. The firm is also a member of the L.G. chamber of commerce and the L.G. Men's Club.

Nemechek said the community has already responded well to a "birthday" promotion and the full year of operation in Lemon Grove had "justified our expectations."

He said he is gratified by the reception his organization had been accorded.

"We expect to grow with the community, and, as we do in all communities, we expect to take a greater part in community affairs."

Morals Group Slaps Engle

New charges were hurled at senatorial candidate Clair Engle by a strong committee of Morality in Government, headed up by Admiral William H. Standley, USN (Ret.), former ambassador to Russia and Lemon Grove resident Dr. Frank B. Gigliotti, leader in the National Association of Evangelicals.

The committee, they reported wanted the voters of California to know how this candidate, acting like a spoiled child, cursed those who might block his selfish path; proved his immaturity by slandering those who disagreed and showed his complete lack of respect for those in positions of established authority.

The committee hit Engle for cursing the school teachers who strive to mold the minds of young Americans. He called the female school teacher "The Lady from Hell," in an article in the Saturday Evening Post.

The same article, the committee charged, quoted Engle as referring to the devoted welfare worker, with integrity of purpose to help the less fortunate of our state, as "Mrs. God Almighty."

His lack of respect for established authority is reflected in his remarks regarding the county boards of supervisors whom he calls the "Board of Stupidvisors."

He has further admonished, according to a national magazine article, that the way to get elected to a political office is to campaign "in a saloon with a fistful of twenty dollar bills." As to a certain minority group, Engle, stated, all you need to win votes with is "a blanket and a jug of wine."
